How to order

1. Contact and pay the caterer directly. Provide the charter date, guest count, food selections, allergies and dietary requirements. Confirm availability, total price, minimum order, delivery fees and cancellation terms.

2. Confirm the delivery time with Captain Hank before booking. Arrange arrival before departure with enough time to receive and load the food. Do not use the departure time as the delivery time.

3. Give the address above and specify SeaWalker. Confirm marina/dock access and the handoff location with Captain Hank; share the receiving contact with the driver.

4. Request ready-to-serve packaging. Ask for labeled trays, serving utensils, plates, cutlery and napkins. Confirm any refrigeration or reheating needs with Captain Hank before ordering.

5. Send Captain Hank your confirmation. Include the caterer, order details, confirmed arrival time and delivery contact.
